

Assignment of Medical Services Plan Benefits To Soft-Opted Out Practitioners

Dear Patient:

This form allows the named practitioner to receive your MSP reimbursement directly for services that are MSP benefits. MSP will cover a portion of 10 visits per calendar year if your family income is below \$30,000 (This is a total of 10 visits including physiotherapy & chiropractor visits). Your practitioner, by law, must advise you of his/her full fee and what portion will be reimbursed by MSP. By agreement, your practitioner may not charge you the portion reimbursable by MSP.

	MSP Portion	Patient Cost	Total
Initial Physiotherapy Treatment	\$23.00	\$60.00	\$83.00
Subsequent Physiotherapy Treatment	\$23.00	\$45.00	\$68.00

** (The total fee collected for your treatment does not represent the amount paid to the physiotherapist. A portion of this fee goes toward the cost of running the clinic.)
